**Trois-Rivières, February 12, 2015** - For us it is a new beginning for the sport by putting the interests of drivers and fans at the center of our organization. We are volunteers who practice this wonderful hobby with passion. We have no profit center and our only interest is to grow by doing karting discover more concretely. The more experienced pilots and elites will also find their place and they will be able to develop there Steering art in a competitive environment, safe and friendly. They will become in some sort of role model or the goal. Their shared experience to as many people will be key because karting is also the assistance and knowledge sharing. These elite drivers will be able to put forward the leadership that we recognize them immediately.

Thus, accompanied championship lighter regulation will have 5 races one evening. Confirmed tracks are participating SC Performance in Saint-Celestin, KCR Karting in Quebec and at SH Karting in Saint-Hilaire. We are in discussions with other track owners to assess the possibility of offering our Tour Karting leisure series including our championship qualified to emerging markets to mature.

So from now on, it will go fast! Regulations, tire choices and other issues related to the organization will be communicated soon.

Then all your calendars!

Our **season** starts on **April 24** with an open day at the karting track of Pointe-du-Lac. *This* will be the *KartFest!* It is the feast of those who practice this sport and this day will provide an opportunity to test kart categories, weigh our karts and add weight to the need to attend demonstrations and product presentations, lectures, ride, share, make themselves known, smile and live our full passion! The dates of our activities are:
